Friends,

I hope each of you are enjoying this first taste of fall. The holidays are fast approaching—although not fast enough for our students! And we have more of them this year than ever: 88 students enrolled in our now 5th – 8th grade school! It is truly a joy to serve the new fifth graders as they settle into the rhythm of our school.

Our Board of Directors has been busy since I wrote you last: Nativity Academy recently signed a new ten-year lease with the Archdiocese and St. Boniface. The lease also has provisions for ten-year renewals. This was carefully reviewed, other locations were considered, and our current location has been deemed the best one for our future.

Over the course of this past year, we voted to make majors upgrades in the HVAC system by installing larger units to replace the inadequate window units. All areas of our building now have high-functioning heating and air units. This was critical to the comfort of our students and staff in the building during more extreme temperatures. We have also retrofitted old lighting throughout the building with new LED energy-efficient systems. Small changes, but they add up!

With the anticipation of adding another fifth-grade class, Nativity began construction in the lower level of our building. I’m happy to report that the necessary demolition and repair work is nearly complete! The lower level now houses two fifth-grade classrooms, our Graduate Support room, and a large multi-purpose open space for the Extended Day Program (EDP) and other school uses. Next wish list item: our gymnasium!

This month, our Board and team will develop and execute our next three-year strategic plan. With your support and prayers, we’ve come so far! It’s exciting to look toward the next three years, and envision how we can make our big dreams come true! Thank you, so much, for the role each and every one of you plays in the life of our school. Our students know they’ve been given the biggest gift – the gift of education – and together, we’re working towards helping them put that gift to its best use!

Carol Nord
Executive Director
I am proud to be a part of the Nativity Academy community and honored by the trust and confidence you have in the professional staff that serves our students, families, donors and sponsors. We are blessed with excellent veteran teachers and new faculty members who complement our mission.

We are excited about the addition of fifth grade and the growth we experienced in this year’s sixth grade.

Nativity has a proud and emergent tradition of high school and college graduates. Our Graduate Support Program currently serves 160-plus secondary and post-secondary students who passed through our eighth grade. Since Nativity’s inception, 98% of our graduates have completed high school. Our Class of 2015 boasts 22 of 23 attending Catholic secondary schools. It takes commitment and perseverance to succeed at any level, and our students are no exception.

The entire Nativity Academy at Saint Boniface community can take heart in the ongoing successes of the students we are privileged to serve. Thank you for your faith, trust and continuous support of our most human endeavor to educate the students who come to us with the desire to learn, contribute and grow.

Peace.

Tom Kallay
Principal

Nativity Academy is lucky to have our Extended-Day Program Director, Dr. Tami Harbolt, as part of our team! Dr. Harbolt is a Jill-of-all-trades: coordinating our many volunteers, creating and managing a wide and creative array of enrichment classes for our students, teaching Social Studies, and helping with our graduates.

One of our former students, Alainna, wrote the letter below to Dr. Harbolt from her time at Eagle University. Students and peers alike, we are all grateful for Dr. Harbolt’s many contributions!

“Dear Ms. Harbolt,

I am at Eagle U. Steve Anderson, the guy in charge of Eagle U, mentioned how important it is to go back and tell people how they have impacted your life. I’m not sure if you know this, but you impacted my life a lot positively while I was in middle school! I could and still can talk to you about anything because I trust you. You made learning fun and you love animals which are some of my favorite things. Ultimately, I just wanted you to know that you have had a big impact on my life. Thank you for always being there and being an amazing teacher.

Sincerely
Alainna”

Nativity graduates visiting Western Kentucky University on recent college tour with Executive Director, Carol Nord.
2015 Income

- Student Scholarships
- Outdoor school sign/message board
- Books from Amazon Wish List found on Nativity’s website: www.nativitylouisville.org
- Non-folding cafeteria chairs

Ignite Louisville team member Carly Schmidt, pictured above with Advancement Director Brooke Burnette, at a Young Professionals Association of Louisville (YPAL) event to recruit young professionals to the newly established Nativity Academy Associate Board. The Ignite Team is helping to engage young community leaders who are interested in furthering Nativity’s mission.

In conjunction with the “Give Local Louisville” initiative, Nativity Academy held its first “Student Day Of Giving.” As the recipients of wonderful community support, students came together to assemble and decorate homemade care packages to such organizations as Kosair Children’s Hospital, Wayside Christian Mission, and Catholic Charities.

In addition, students vied for points distributed for good behavior through their individual houses. Thanks to a generous donor, each house received $.10 per good deed during the span of the Give Back project. The money they earned went to a local non-profit in the city’s “Give Local Louisville.” The student groups voted on the charity of their choice to designate for funding. They chose ElderServe, Bridgehaven, Down Syndrome of Louisville, and Ronald McDonald House. Over $400 was raised for these charities! Kudos to our students for their hard work!

Nativity Academy’s fifth-grade class enjoying their newly renovated classroom on the lower level of the school building. This is the first school year that has accepted fifth grade students, and they are enthusiastic to be a part of the Nativity educational experience.
