Dear Friends of Nativity,

As we have embarked on the 2018-19 school year, we are celebrating a major milestone – our 15th year!

The hopes and dreams of many began with the opening of Nativity Academy in 2003 at St. Boniface by our founders and early supporters with the inaugural sixth-grade class.

Many along this journey realistically had doubts about how this non-tuition driven school with no regular income stream could survive. Would this small school based on the Nativity Miguel model actually take root and change the lives of some of our most vulnerable students?

We are here today to say, YES! Thanks to the dedicated donors, volunteers, board members, faculty/staff (past and present) and countless others who BELIEVE IN THIS MISSION, Nativity is thriving and has impacted the lives of over 300 young people in Louisville.

Currently, we have 82 students in grades five through eight that we serve daily in our school and in our Extended Enrichment Program. Another 230 young people are served in our unique Graduate Support Program for Nativity Academy middle school graduates through high school and into post-secondary education.

We have much to celebrate this year! Our committed administration, faculty and staff spent countless hours preparing for the beginning of the school year. They have placed emphasis on positive behavior intervention systems, and the fruits of these labors are paying off with a fantastic start.

We are nearing the end of our fundraising for the Fr. Tim Hogan Plaza and are thrilled with the response to date. We are moving into the bid phase and expect to break ground in the near future on this environmentally-friendly project with MSD. What an improvement it will make to the look of our “front door”!

In late October, we welcomed representatives from Nativity Miguel Schools from all over the country to the Annual Conference on Equity in Education meeting in Louisville! School leaders from the East (NY, CT, DE, ), South (TX, MO, CO), West (CA, OR, WA) and even two new Canadian Schools were represented. With exceptional southern hospitality, we are proud to host this event – showing off our school!

Entering our 15th year, Nativity Academy at St. Boniface is truly blessed and has much to be thankful for. We could not achieve such life-changing results without the help, support and prayers of so many of you! Your gifts of time, talent and treasure truly are making a difference in this community one child at a time.

Blessings and Thanks,

Carol Nord

“The student was in the midst of complaining about the amount of work necessary to improve her writing when in walked a handsome junior from St. X. “Are you lucky!” he exclaimed. “Working with Mrs. Rink helped me get ready for writing at St. X.” Nationwide, three-quarters of eighth-graders lack the necessary writing skills to succeed in high school. At Nativity, I have the opportunity to coach eighth-graders one-on-one every day after school. (The young lady never complained again.)

Nativity students and Associate Board fundraising for Washington D.C. trip at NuLu Fall Festival 2018

Healthy Culinary Arts education during the Extended Enrichment Program

Nativity students at KUNA – Kentucky United Nations Assembly

Mercy Academy students supporting Nativity Academy.

Bellarmine University students volunteered skills, time and energy to paint and refurbish lower-level classrooms.

An independent Catholic middle school that transforms the lives of students who have a commitment to achievement and whose families demonstrate financial need.
